ABOUT HOOPLA

hoopla digital strives to provide public libraries of all sizes the ability to offer an enormous selection of digital video (movies and TV shows), music, audiobooks, ebooks and comics to their patrons.

To make this possible, hoopla has pioneered a unique model that allows patrons to borrow content immediately, removing artificial availability constraints and maximizing the power of digital content and Internet distribution.

Expanding access by eliminating wait times

HOW IT WORKS

SIGN UP

Go to www.hoopladigital.com or download the **hoopla app** on your device's app store.

Sign up with your library card and **create an account**. Once your account is set up, you'll sign in with the email address and password you created.

SEARCH & BORROW

Search for Audiobooks, eBooks, Comics, Music, Movies, and TV. Then borrow a title by clicking on the title's icon and clicking **Borrow**.

Stream the item or download it to your device to hear, read, or watch it.

THE BASICS

There is **no hold time** or wait period for all titles on hoopla. Instantly stream or download what you want.

You can borrow up to **4 items** each month. Borrowing period depends on the title and format.
